

My dear Sam

I leave for Florida 20th and
will return here by April 6th. Do not know
where you could reach me with any certainty
by means of mail.

Perhaps you had better show the en-
closed letter to McCornell - Use your
own judgment but I want you to advise
him of my position as to paying assess-
ments to the laying of which I am not a
party - In great haste

Chas. Offutt

I think C. had better see the letter
unless you know reasons to the contrary.
